About me

I'm a 25-year-old graduate in International Business with two years of experience in shipping coordination and sales. I'm currently studying Computer Science Engineering. I hold a Google-endorsed data analyst certificate.

Work Experience

Call Center Agent, Global Telesourcing

2023 - 2024

- I participated in Comcast's bilingual campaign as a sales consultant. I identified customer needs to promote services. I met the goal of four sales per week.

Social Service at INEA (Instituto Nacional de Educación para Adultos)

2022 - 2023

- Part of the Operational Planning and Monitoring Department, where I manage inventory and filing. Responsible for ensuring physical inventory distribution.

Intern at Best Ingredients

2022 - 2023

- Coordination, monitoring and crossing of land shipments from American suppliers. I coordinated around 15 shipments weekly, land and rail.
- Management of Odoo, an ERP software, for invoice, purchase order, inventory and supplier management. I managed and kept the databases related to the import in order. Carrying out customs procedures by land through the Customs of Nuevo Laredo, Tamaulipas.
- Worked with project managers to develop and implement strategies for cost savings and resource optimization
